Food Science, IFT, and You – Perfect Together

Wednesday, February 14, 2018, 11:00-12:00

Marine and Coastal Sciences building, Alampi Room, 71 Dudley Road, Cook Campus

Light refreshments will be served

Informal presentation and discussion on networking and career development strategies for young Food Scientists. This will include an introduction to IFT and NYIFT; the role of Rutgers Food Science in the Food Science & Technology ecosystem; tips on how to increase your visibility to enhance your career. Undergraduate, graduate students, and faculty are encouraged to attend.
