

Meeting Notice: 4th Flavors, Fragrances & Perception Symposium

We are pleased to announce the 4th Flavors, Fragrances and Perception Symposium sponsored by the Center for Sensory Sciences & Innovation. This 1-day event will take place on **June 8, 2017** on the Douglass Campus of Rutgers University, New Brunswick, NJ.

This symposium offers cutting edge science and insights into emerging trends from speakers engaged at the forefront of the sensory sciences and related fields. Posters and tabletop demonstrations will also be available for viewing throughout the day.

Registration for our symposium is free for all attendees
